

## Lesson 2: Download Element

**Basic Strategy Decision Exercise** - Here I've made up a lot of player's starting hands along with a dealer's up card. Use your "Basic Strategy Matrix" from Lesson 1 to make a "correction copy" and mark it as such at the top. Then, just go down the columns of another copy and fill in the proper play. Use your correction copy to check for accuracy. Speed is of the essence here, so work towards a goal of completing this in under two minutes with 100% accuracy.
